

Testimonials....

"The camp was a marvelous experience for me . I received the much needed scientific and correct information in way. Lucid, Humorous and Knowledgeable."

-2nd year B.A. Student, Gadchiroli.

"Before I fall into something wrong like considering infatuation as love and set a trap for myself,the camp served as a saviour .Something which I could not discuss with my parents-I could discuss it here."

-18,A girl from Nagpur.

"My kids seem to be more responsible than before.Also,they have learnt how to deal with their peers and oppose when they try to mislead them.A must attend for all teens!!

-A parent of 14 year old from Pune.

"Some times we also feel shy to discuss such matters with our students. Sexuality education doesn't spoil students but tries to make them more responsible youth.

-A teacher from Pune.

"Proper Sex Education encourages moral behaviour leading to ideal new generation'

About 'TARUNYABHAN'

Most of the youngsters today, because of their inquisitiveness and peer pressure tend to move towards wrong sources which give them incorrect information about adolescence and sexual behaviours, leading to a disaster in long run. It is very essential to give them the correct information in a scientific and sensitive way so as to prevent them from going towards a wrong track. SEARCH has designed a program "TARUNYABHAN" for the same.

SALIENT FEATURES:

- Scientific in nature with an element of fun.
- Activities like Games, Group- Discussions, Songs, Story-Telling & Dance
- Conducted at your location and free of charge *.
- Lasts for a period of 21 hrs over a period of three days but the impact lasts for a lifetime.
- Workshop conducted in Marathi only.
- Counseling & Support for life- time.

*Outside Gadchiroli, the boarding and lodging charges as well as travelling expenses and photocopying of the material should be borne for the facilitators by the participating organization.

Our three - day workshop includes the following:

- **Physical and Mental Changes during adolescence.**
- **Differentiation between real love and infatuation**
- **Reproductive Organs**
- **Responsible parenthood and selection of partner.**
- **Menstruation-Precautions and Cleanliness.**
- **Masturbation and Nightfall.**
- **Infertility.**
- **Family Planning and Contraception.**
- **Cancer.**
- **Marriage and Married life.**
- **Being a responsible youth.**

The content and the workshop have been designed by a leading gynecologist Dr Rani Bang and facilitators include well known trained persons including Mr. D. R. Patil (Incharge & Trainer), Mrs. Sunanda Khorgade (Trainer), and Mr. Rajendra Isasare (Trainer).

Content has been developed over a period of 30 years by continuous research and evaluation of feedback of participants.
