

SEARCH

Society for Education, Action and Research in Community Health

Organization Profile

History: Inspired by the life and philosophy of Mahatma Gandhi, and equipped by their medical training in India, and subsequently, training in public health and research at the Johns Hopkins University, the doctor couple Abhay and Rani Bang, founded Society for Education, Action and Research in Community Health (SEARCH) in 1986. SEARCH is a Non-Governmental Organization (NGO) working in the poorest, semi-tribal district, Gadchiroli, in the state of Maharashtra, (India), 1000 km away from Mumbai.

Vision: SEARCH's vision is 'Aarogya-Swaraj' which means 'People's Health in People's hands', by empowering individuals and communities to take charge of their own health, and thereby, help them achieve freedom from disease as well as dependence

Mission: Mission of SEARCH is service, training, empowerment and research in health of the communities as expressed in its name.

Headquarter: Of SEARCH is 'Shodhgram', located 17 km from the district headquarter of the Gadchiroli district. The campus, spread over 47 Acres, is modeled over a mix of Gandhian Ashram, tribal village and modern facilities. It has more than 80 buildings including hospital, research center, training centers, training hostels, library, administrative offices, guest houses, tribal museum, community centers, mess cum dining facilities, residential facilities for 150 staff, solar plant, gym, playgrounds, walking track, organic farm and two lakes.

With a team of 150+ professionals and 150+ Community Health Workers, and presence in Gadchiroli, SEARCH has emerged as one of the most reputed and credible grass roots service and research organization in India making important breakthroughs in the public health problems of India and globally over past 36 years.
